CROCKTAIL
Kitten

Complete food for kitten and female cat at the end of gestation and during lactation

Available in 400g and 3kg bags

Digestive safety

- The intake of fructo-oligosaccharides promotes the development of intestinal flora, which helps the digestive system to function well.

Stronger immune system

- Yeast extracts mixed with the natural antioxidants present in the apple fibres ensure healthy digestion as well as stronger immune system.

Natural antioxidants

- Apple fibres are rich in polyphenols, natural antioxidants that protect the organism’s cells.
